SkillZone is an innovative soccer coaching company with links to a Premiership Football Club.

A member of our coaching team has identified your child as having shown potential and demonstrating a positive attitude, therefore, we would like to extend an invitation to them to join the waiting list for our Platinum Centre.

The SkillZone Platinum Centre is a specialist football academy designed to bring together the best local players in a challenging environment that targets their individual technical skills, team play and mindset. The training sessions are fun, team-related and high tempo with a varied curriculum that will inspire the players to realise their potential and encourage them to develop their decision-making skills. There is an opportunity for elite players to be recommended to a Premiership Academy.

You will be notified of forthcoming trial dates and invited to attend **free of charge**. Should your child subsequently be offered a place within the Platinum Centre they will be able to take advantage of the many benefits exclusively available to Platinum members including:

- Games Programme
- Individual Assessment per term
- 90 minutes specialist coaching per week by Premiership Academy staff
- SkillZone Branded Kit
- 50% discount on SkillZone Holiday Courses

All the above is included in the monthly fee of £30.
